

The New Antari HZ-350 Hazer,
 Control It From Anywhere.

HZ-350 Haze Machine

HZ-350, a brand new haze machine from Antari with not only the reliable quality as a tradition but also new charming features!

With the innovative LCD control panel built in the machine, now you can master this classic haze machine without effort at all. The digital LCD control system now allows users to set the timer and DMX address directly and accurately by just moving their fingertips.

Furthermore, wireless on/off control is another excitement for users who need to execute the output timing with their own hands.

Now just try it to believe it!
